He is such a gentleman! Very well received by our clients. In fact I've already had one email from a client who wondered how to book him for their event. Gave them Washington Speakers Bureau! I'll let you know more details after I've had a chance to tabulate the evaluation forms

Hi Danette:

I just wanted to touch base and see how everything went with Vinny Boles. I hope your event was a success and that you've had a chance to recover a bit!

Of course, I would appreciate any and all feedback and to know if there was anything Vinny or WSB could have done better.

On a personal note, Greg, Nanette and I appreciate really appreciate the opportunity to work with you, and we look forward to your comments.

Best,
