Hi Vinny:

Yay! See below. The voicemail said that you were "awesome" and definitely the best speaker they've EVER had!!! I'm so thrilled and I look forward to many more.

I'll be sure to share this with all the teams here.

Best,

Theresa

Hi Theresa-

Just left you a voice mail. Last night was a complete success. Jim said Vinny was the best speaker we have had to date. I received text messages from other EVP's that said, Vinny was a "home run". We are so pleased and appreciate your direction and dedication to making our event outstanding. Jim will be giving you a call later this week when he is back in the office. I look forward to working with you again in the future. Thanks to Greg and Moustafa for their support and follow through as well. Lisa

Hi Lisa and Jim:

I hope you've had a chance to recover from last night's festivities. Of course I'm dying to hear how everything went with Vinnie's presentation. He just gave me a call to tell me what a great group you are and that Nina was "phenomenal" on site, taking great care of him.

As always, I'm so grateful for the opportunity to work with ADS and I hope you were pleased with everything.

Looking forward to hearing from you,

Best,
